

Maths: KS2

Measuring Area and Perimeter

Can you measure the chapel?

(Not to scale)

1. Can you fill in the missing measurements in the empty boxes? Look at the chapel shape. Is it symmetrical?

2. What is the perimeter of the chapel? _____

3. What is the area of the chapel? _____

Can you chop the shape of the chapel up into more than one rectangle? It may help you to add up the measurements.
