

November 6th.

Dear Jean and Marlene

Thank you both so much
for the copy of your book.

I was fascinated to
read about my grandparents. I really
knew very little about them. Sadly
they both died before I was born.

It was a special thrill
to be at the launch of the Theatre.
My father would have been overwhelmed.
I cannot think of a greater honour for
an actor, than to have a theatre named
after you. Thank you again for your

kindness.

Best wishes
