

Science: KS2

Happy Homes!

Look around you. Try to find 4 different habitats that animals, birds or minibeasts live in around the cemetery and chapel.

Where in the Cemetery	What animal lives there?	Is there enough light?	Is there any water?	What would they eat?	Is there enough room?

Vocabulary: feathers, slime, droppings, singing, hair, nibbled, holes, nest, tree, bat, badger, birds, rabbit, fox
