## Night and Day

You can find many animals around the cemetery during the daytime, but only some can be seen at night. Which animals would you expect to see during the day and which at night? Write your answers below.

Animal	Day time or Night-time?
 <p data-bbox="443 831 531 864">Rabbit</p>	
 <p data-bbox="464 1093 510 1126">Bat</p>	
 <p data-bbox="416 1317 558 1355">Hedgehog</p>	
 <p data-bbox="456 1570 518 1603">Owl</p>	
 <p data-bbox="440 1769 534 1807">Badger</p>	
 <p data-bbox="461 1973 513 2007">Fox</p>
