

# Science: KS1/2

## Plant Hunters

There are many types of plant that grow in the cemetery. What types can you see? Can you see any in flower?

Draw pictures of the plants that you find and try to identify them back in your classroom. Draw your pictures here:

Plant 1	Plant 2
Plant 3	Plant 4

1. What are your plants called?
2. When does it flower?
3. Where does it usually grow?
4. Is it common or rare?
